

GUARANTEE

We guarantee our plants are healthy, pest and disease free, and well cared for when they leave the property. We are entrusting you to continue exceptional care at your planting location. If you have any issues or concerns, please let us know as soon as possible and we will address it promptly.

Black Forest Nursery guarantees perennials, shrubs and trees through October 1st of the purchase season when appropriate care has been given. Plants that have been neglected (including but not limited to lack of water, insufficient light, etc.) are not guaranteed. Any pest or illness issue that did not originate from the nursery is not guaranteed. *We do not guarantee annuals or house plants.
